Quality Policy

The Management of Forgen Renewables Limited is proud of its reputation for providing a first class product and service to its customers.

Our Quality Management System has been written to fulfill the requirements of ISO9001 (2008) and our own customer's requirements.

Forgen Renewables Limited aims to exceed its customer's expectations through continuous improvement and the provision of sufficient resources to achieve all of our goals and objectives.

The Directors and Managers regularly review the company's performance to establish improvements to its Quality Management System that will be of benefit to both our business and its customers.

All employees of Forgen Renewables Limited have key roles in maintaining and improving the quality of service provided to its customers and are required to comply with the procedures and instructions laid down in the Quality Manual.

Signed

A handwritten signature in black ink, appearing to read "Chris Williams", is placed over a grey rectangular background.
